At the Creamery

Welcome to Brickhouse Restaurant, located in the Reed River Trading Company building - rooted deeply in the history of Roseau, Minnesota. Constructed in 1944 as the "Land 'O Lakes Milk Drying Plant", this building underwent extensive renovations in 1999. Today the building is

In 2013 Joseph Bain & Jason Gyoerick purchased the Reed River Trading Company Building and developed a new Brickhouse Restaurant. Together they developed a menu based on local tastes as well as some personal favorites that they discovered on some of their many travels across the United States. The Restaurant continues to be a work in progress as they continue to work hard on making it represent the Roseau Community as well as themselves.

Take some time today to discover the Reed River Trading Company Building... visit the many exhibits in the Polaris Experience Center; try a cup of Caribou Coffee at Reed River Coffee Company; and be sure to save room for dessert.

Reed River Trading Company Building open for business.
